Dear Parents,

Welcome back to what will be an exciting and enriching year at O.E.C. I will be your child’s writing teacher. This is my ninth year here!

One of my core teaching philosophies is success for all. In order to accomplish this goal, I encourage parents to take an active role in their child’s learning. Please periodically ask your child about class procedures and to share with you what we are learning. One important skill I will focus on this year is organization. Students will be expected to come prepared for class each day. Good organizational skills lead to better study habits and future success. Additional course information and expectations will be shared with you at our open house. I encourage all parents to attend, but will be glad to send home information with your child if there is a scheduling conflict.

I am always available to speak with you regarding any questions or concerns. The best way to reach me is through email at jpresser@philasd.org. If I do not yet have your email, please send me a message. I look forward to a wonderful partnership with you this school year!

Sincerely,

Jennifer Presser
