June, 2022

Dear Parents of Incoming 4th and 5th graders:

We are so excited to work with you and your children in the 2022-2023 school year. As many of you may know, Ms. Obozian and Ms. Honor are the 4th and 5th grade DREAM TEAM. Ms. Obozian will be teaching ELA and Social Studies and Ms. Honor will be teaching Math and Science.

We have been working together for a few years now and we have very similar styles of teaching and classroom management. Since we work so closely, we try to make your lives easier.

Please review the attached supply list and summer work. We tried to keep our supply list to a minimum, but each classroom needs its own supplies, which is why we require multiples of some items. Please check it out when you have a moment. The school work is due the first week of school and will be the first grade of the semester. Students should do a little each day.

We will be touching base with you in August. Please be on the lookout for communication on Class Dojo. We can’t wait to continue developing our relationships with the incoming 5th grade families and build new relationships with our incoming 4th graders. Have a wonderful summer!

Sincerely,

Ms. Honor – 4th & 5th grade Math and Science

Ms. Obozian – 4th & 5th Grade ELA and Social Studies
