Congratulations to A'sim Devlin's family on being our  
FIRST family to receive the monthly attendance

# OEC Fact Power!

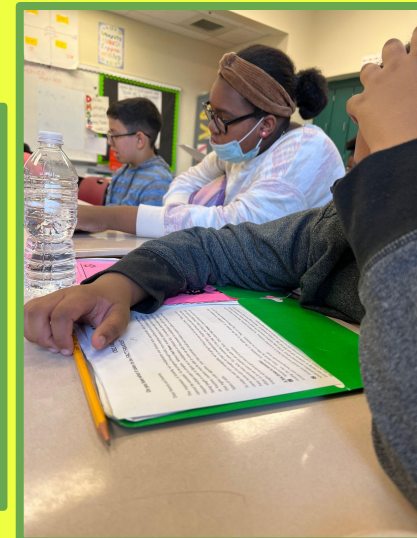

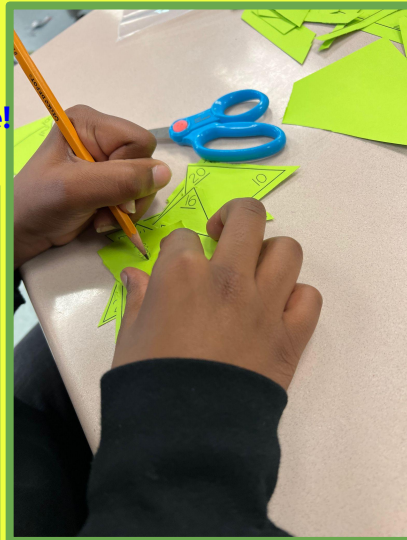

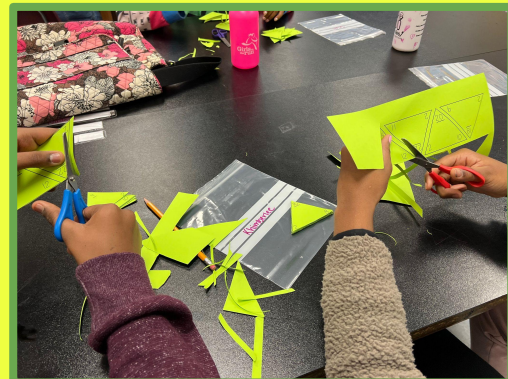

## Our Kids will be Fact Famous

Our goal as a school is that every student in grades 3rd-8th will be “Fact Famous” by the end of the year by knowing their multiplication and division facts from 2-12 with automaticity! To do this, they need to practice their triangle fact cards each night. Every Wednesday they will have a chance to “flex” their power with a problem set challenge.

Families, please look out for the letter above that came home this week!

Wed, Nov 23rd is the **2's** challenge!

**SUCCESS!**

**Thank you to all our  
parents and families for  
supporting Taco Tuesday!**

**We will be returning  
1x/month.**

**Stay on the lookout for our  
next date for Taco  
Tuesday!**

## Star Home Connect

Star's Home Connect feature allows parents to receive their children's Star scores via email after each test administration.

## Guardrails

- 1 Every school will be a safe, welcoming and healthy place where our students, staff and community want to be and learn each day. This means that our schools will be: (1) environmentally safe and clean; and (2) spaces with inclusive climates that provide students with access to robust social, emotional, and mental health supports.
- 2 Every student will have a well-rounded education with co-curricular opportunities, including arts and athletics, integrated into the school experience.
- 3 Every parent and guardian will be welcomed and encouraged to be partners in their child's school community.
- 4 **Our students' potential will not be limited by practices that perpetuate systemic racism and hinder student achievement.**

I GOT YOUR BACK

## Spotlight on Coping Skills:

**Coping Skills** are the tools and techniques we use to handle big emotions.

One of the best ways to teach children coping skills is to model them by doing it yourself!

The counseling theme for the month of November is:  
**Self-Awareness and Self-Management**

# Data Celebrations- iReady + Lexia

Our reading intervention program at OEC is Lexia. Our math intervention is iReady.

We are starting grade band competitions and class incentives for completing weekly goals on our online intervention programs. Please encourage your child to log on this weekend and show you their progress and their weekly goal! Thank you so much for motivating our scholars to do these programs at home as well!

Students are given time each week during the school day to work on lessons, but the more they do, the more they'll grow!
