## MS. LEVY

### About Ms. Levy:

*Hi OEC students & families! This is my second year teaching at OEC. I am an 8th Grade Homeroom advisor, the Middle School Social Studies instructor and I co-teach writing with Mr. Rivera. Prior to this, I taught for 10 years in New York City. When I am not teaching, I am chasing my (almost) 2-year old around and also running for fun. I am looking forward to a terrific school year!*
